Message

Dear Delegates, Esteemed Faculty, Researchers, and Distinguished Guests,

It gives us immense pleasure and privilege to welcome you to the 50th Golden Jubilee Annual National Congress of the Indian Association of Medical Microbiologists (IAMM), to be held from **22nd to 26th September 2027** in the vibrant Pink City of **Jaipur, Rajasthan**. This Golden Jubilee edition marks a significant milestone in the journey of our association, celebrating five decades of scientific excellence, innovation, collaboration, and commitment to advancing the field of Medical Microbiology.

As we gather from across the country and beyond, this congress provides an exceptional platform to exchange knowledge, present pioneering research, discuss emerging infectious diseases, antimicrobial resistance, diagnostic advancements, and the evolving role of microbiology in improving patient care and public health. The scientific program is being thoughtfully curated to include keynote lectures, panel discussions, workshops, free paper presentations, poster sessions, and interactive forums led by eminent experts from India and abroad.

Beyond the academic sessions, we hope this Congress fosters meaningful collaborations, inspires young researchers, and strengthens professional relationships that will shape the future of Medical Microbiology. We also encourage you to take time to interact with colleagues, industry partners, and mentors while experiencing the warmth and hospitality of our host city.

The successful organization of this landmark event will be made possible through the dedicated efforts of our Mentors, Past President, IAMM executive council, organizing committee, scientific committee, volunteers, faculty members, sponsors, and supporting partners.

We expect your enthusiastic participation and wish you an enriching, engaging, and memorable experience at this historic Golden Jubilee Congress.

We look forward to welcoming you to the rich culture, cuisine & tourist attraction of Jaipur, Rajasthan and making the **50th Golden Jubilee National Congress of the Indian Association of Medical Microbiologists** a truly memorable celebration of science, innovation, and excellence.

With warm regards,

Organizing Committee
50th Golden Jubilee National Congress

Indian Association of Medical Microbiologists (IAMM)

Established in 1976 at Kasturba Medical College, Manipal, the Indian Association of Medical Microbiologists (IAMM) is the premier professional body representing medical microbiologists in India. Founded by visionary leaders and supported by 30 founder members, IAMM was created to advance the specialty of Medical Microbiology and promote excellence in education, research, and clinical practice.

With a membership of over 4,000 professionals, IAMM has been organizing its flagship annual conference, MICROCON, since 1977, bringing together experts, researchers, academicians, and industry leaders to share knowledge, foster collaboration, and showcase the latest advancements in Medical Microbiology. Through conferences, workshops, symposia, and academic initiatives, IAMM continues to play a vital role in strengthening microbiology and improving healthcare in India.

Executive Council Members

Dr Chand Wattal
President

Dr. Anju Kagal
President-Elect
